INTENSIVE ENGLISH PROGRAM
There are six levels at Face to Face Learning Center, levels 1 through 6. The institution has four 12-week semesters: winter, spring, summer, and fall. Each 12-week semester is divided into 6 parts. There is a 4-week review semester between fall and winter semesters. Once students have taken their placement exam, they are allowed to begin on any of the 24 entry dates.
Level Proficiency Scale

The Common European Framework of Reference for Languages (CEFR) is an international standard for describing language ability. It is used around the world to describe learners' language skills. The six reference levels (see below) are becoming widely accepted as the standard for grading an individual's language proficiency.

Placement

All new students will be required to take the Top Notch and Summit Full-Course Placement Exam that is administered by the Academic Director or the Lead Teacher. An oral exam developed on site will also be given as a placement tool. We take other important factors into consideration, such as student’s goal and objectives. If the Placement team feels it is necessary, a written test will also be given. The Academic Director, who makes the final placement decision, reviews the result of all of the above mentioned. Upon successful completion of the tests, the scores will be verified and kept in the student’s academic file. The students will be notified of their examination results. There are no re-tests. Students whom enter after the 4th part of the semester will be placed at a lower level and then be promoted. 

* * *
Students may appeal their initial placement by notifying the Academic Director within the first few days of classes. The teacher, student and Academic Director will meet and make a decision about the student’s level.

Students are provided the necessary environment to insure that the process of accurate course placement is maximized. Books, smart phones, or other paper of any kind are set aside in the testing room unless specified by the proctor. Anyone observed giving or receiving help during the test or using notes or books of any kind will not be permitted to continue the test. No unauthorized test materials or notes may be taken from the room after the test. Face to Face Learning Center will not accept any test score whose validity is in question.

**Goal Setting Conference**

In order to meet our Mission, teachers strive to instruct on an individualized and personal level. Within the first week of class, students have a one-to-one language goal setting conference with the teacher. Students and teachers set personal goals for that level with reasonable expected outcomes and measurements. A review of the goal at mid-semester states the progress made. During the last week of the semester, a summary of the goal is made.

**Assessment**

Each level has established outcomes. These outcomes guide teaching and learning towards achieving set goals. Each two-week period is non-cumulative since objectives are developed for each period. At the end of each two-week period, students will be evaluated on how well they have assimilated the material taught. The exam may include multiple choices, matching, and filling in the blanks. Make-up exams are given at the discretion of the instructors, and only for students who have an excused absence. There are no make-up exams during the 6th part of a semester.

**Assignments and Quizzes**

In order to determine if students are making adequate progress, teachers are encouraged to give assignments and quizzes regularly. This is the only way students practice what is learned in class. Students are expected to complete all homework and assignments on time. Student academic progress towards the stated course objectives are evaluated using the following categories:

<table>
<thead>
<tr>
<th>CATEGORY</th>
<th>WEIGHT</th>
</tr>
</thead>
<tbody>
<tr>

<td>20%</td>
</tr>
<tr>
<td>Exams</td>
<td>60%</td>
</tr>
<tr>
<td>Final Exam (Cumulative)</td>
<td>20%</td>
</tr>
</tbody>
</table>

**Final Exam**

The Final Exam helps determine if the student has successfully learned all material covered during the semester. Those that did not start from the beginning of the semester and were enrolled for more than four parts have the opportunity to take the cumulative Final Exam at the end of the 6th part of the level. Any student receiving lower than a 70% on the final exam does NOT pass to the next level.

**Academic Progress**

Teachers at Face to Face Learning Center meet with the students individually to discuss in detail the progress of the student during the 3rd and 6th part of the semester. All the language skills are reviewed and the student is informed of their current proficiency level. Teachers provide extra feedback in areas where the students show difficulties. The student and teacher sign the Student Mid Progress Report Card and Final Progress Report Card. A copy is given to the student and the original is kept in the student’s academic file.

It is our policy that a student be notified during the 6th part of the semester if he or she is in danger of being retained. In order to advance to the next level, students MUST successfully achieve each goal and meet the learning outcomes. Any student receiving a final grade lower than a 70% does not pass the level.

### Program Completion
Students must pass level 6 with a 70% average or above to have successfully completed the Intensive English Program. Students are given a certificate of achievement upon completion.

### Exit Exam
Students who are enrolled for more than 4 weeks are required to take a different form of the Placement Exam on their last day of class to evaluate growth. Student is awarded a certificate upon completion.

### Exit Interview
Students are required to complete an Exit Interview on their last day of class or on the last day of each semester. The purpose of the student survey is to collect information that provides feedback directly to the teacher for growth and development. This also evaluates the service and facility of Face to Face Learning Center. All reviews of policies and procedures are based on the analysis of this data. The student survey may provide information that may not be accurately obtained in observations.

### Course Syllabi
Students receive a course description for each level in the syllabus. The syllabus states important information, rules, grading policy and learning outcomes for the course. The syllabus is given to students on their first day of class. Face to Face Learning Center reserves the right to make changes to the scope and sequence of the course schedule with prior communication.

### Academic Probation
Any student in levels 1 through 6 who is retained is put on academic probation for the next semester. The student must pass that level during the next semester. Any student, who fails the same level twice, is no longer allowed to enroll in our program.

### Academic Honesty
Students who are caught copying or cheating receive a 0 on that assignment, quiz or test. Submitting a task that is not one’s own is considered plagiarism.

### Calendar
Face to Face Learning Center’s Intensive English Program is offered continually throughout a calendar year.

### POLICIES AND PROCEDURES

#### Late Policy
It is very disrespectful to arrive late to class. Students arriving after the starting time of class will be left to the discretion of their teacher, as to whether or not they will be allowed to go into class. Students can use the lobby area and work on assignments assigned by the teacher. If a student is late twice, it is considered an absence.
Excused and Unexcused Absences
Remember that in order to improve, it is very important to participate as much as possible. If the student misses a group class, it is the student’s responsibility to go over the material discussed in class during his/her absence. The teacher is not obligated to repeat the class.

Students must call Face to Face Learning Center (not the teacher) when he/she is sick and will be absent. An absence is excused when a student provides a medical or dental excuse. Students are excused if they are away for a police, court or immigration appointment. A student who accumulates 8 absences in a semester is placed on probation. If absent 2 additional days, the student is dismissed from the program immediately.

Students are given an email warning after 6, and 8 absences. The first warning is an informal warning, the second warning will ask student to meet with the School Director to make sure he or she understands the consequences.

Books and Material
It is mandatory to buy books, no exceptions. Books must be purchased within the first week of class. No exceptions, even for short-term students. Books are available for purchase from Face to Face Learning Center. Copies of books will NOT be permitted.

Drug and Alcohol Policy
While on campus premises, no student of Face to Face Learning Center is permitted to use or be under the influence of alcohol or other drugs/medications except those prescribed by a physician. In addition, illegal drugs and medications shall not be possessed, used, sold, or distributed. Violation of this policy constitutes grounds for termination. Violators are subject to prosecution.

Dress Code
It is mandatory for all students enrolled in Face to Face Learning Center to wear appropriate clothing. Examples of inappropriate dress and/or appearance include but are not limited to:
- Midriffs or halter tops mesh or netted shirts, tube tops or cut-off T shirts.
- Bare feet.
- Clothing with derogatory, offensive, and/or lewd messages in either words or pictures.

Payment
The Invoice must be paid in full prior to the student’s start date. Fees are calculated in complete weeks and part of a week is counted as a full week. The deadline for each recurring payment is on the Friday before the new period. Continuing students are not allowed in class if payment is not received by the due date. If recurring payment is not received within 3 school days of the due date, students are removed from the class roster and must re-enroll at a later date. All students on a payment plan are subject to the terms and conditions of their payment plan. Promotional offers will be honored through paid expiration date.

Cancellation Policy and Refunds
If an applicant is not accepted or if a student has their visa application denied, a full refund of all monies paid, less the non-refundable payments, will be made. If an accepted applicant enters the US on an I-20 issued by Face to Face Learning Center or receives a Change of Status and subsequently cancels prior to the start of classes or is a no show, Face to Face Learning Center will not provide a refund. If an accepted student cancels prior to the start of class or is a no show, Face to Face Learning Center will refund all monies paid less any actual costs incurred by Face to Face Learning Center and any charges clearly noted as being non-refundable.
If Face to Face Learning Center cancels a program, Face to Face Learning Center will refund all monies paid by the student. A student must provide notification of cancellation in writing to be eligible for a refund. All refunds due will be made within 30 days of the date of cancellation. If you must stop your course due to a documented emergency, the unused portion of your payment will be frozen for a year. This amount is non-transferable. Students may freeze their payments when enrolled for more than 9 months. This is allowed once a year and for a maximum of two months. This is considered vacation. Students must have an approved Leave of Absence.

**Student Complaint Process**
If you have a complaint about a teacher or anything related to your course, including disagreement with grades, promotion, or retention, talk to your teacher first. If you are not satisfied, talk to the Academic Director. For other complaints about the program, speak to the School Coordinator. If you are not satisfied with the result from your informal complaint, you can complete a Formal Complaint Form. You can find this form attached to your Student Handbook or you can get a copy from the School Coordinator. The School Director will review your complaint and make every effort to reply within a week. A Formal Complaint form is kept in the student file and a copy is given to the student.

**Confidentiality**
All students’ academic and admission records are confidential. All employees are expected to act accordingly, with professionalism and confidentiality. All discussion among faculty should be with the goal of finding solutions.

**Health Insurance**
Face to Face Learning Center does not require international students to purchase health insurance, but it is highly recommended you do so. In the United States, the government does not pay for health care. Health care in the United States is very expensive, so health insurance is a wise investment in case a medical need occurs. If students do not have health insurance, we offer it to them. If a student decides he or she does not want health insurance, the student must sign the acknowledgement.

**F-1 Students**
Face to Face Learning Center is required by law to report to Immigration Services any F-1 Visa student who is no longer attending the program or does not comply with the school’s policies and procedures. Therefore, it is your responsibility to alert the Designated School Official, if:
- You are entering the U.S as a new student
- You change your address
- You are planning to take a vacation and travel outside the U.S
- You have serious illness or a serious problem that stops you from attending class
- You are thinking about changing schools inside or outside the U.S

Visa Students are not able to work off campus. See International Services for more information on work permissions.
